## ORDER

**S.O. 1768.**—M/s. India Tourism Development Corporation, 3, Parliament Street, Jeevan Vihar, New Delhi were granted an import licence No. G/A/1057884 dated 7-11-1972 for Rs. 9239/- (Rupees Nine Thousand two hundred and thirty nine only). They have applied for the issue of duplicate of Customs Purposes and Exchange Control Purposes copies of the said licence on the ground that both the copies of the licence have been lost. It is further stated that both the original copies of licence were neither utilised nor was the licence registered with the Customs authorities. The balance available on it was Rs. 9,239/-.

2. In support of this contention, the applicant has filed an affidavit on a stamped paper. I am accordingly satisfied that both the copies of the said licence have been lost. Therefore, in exercise of the power conferred under Sub-Clause 9(cc) of the Imports (Control) Order 1955 dated 7-12-1955 as amended, the said original Customs Purposes and Exchange Control Purposes copies of licence No. G/A/1057884 dated 7-11-1972 issued to M/s. Indian Tourism Development Corporation, New Delhi are hereby cancelled.

3. Duplicate Customs Purposes and Exchange Control Purposes copies of the said licence are being issued separately to the licensee.

आदेश

नई दिल्ली, 23 जून, 1973

का. आ. 1770.—यतः नियति (व्याविस्टी नियंत्रण और नियंत्रण) अधिनियम, 1963 (1963 का 22) की धारा 6 द्वारा प्रदत्त शर्किताओं का प्रयोग करते हुए, केन्द्रीय सरकार की यह राय है कि भारत के नियति व्यापार के विकास के लिए ऐसा करना आवश्यक और समीचिन है कि क्रम वर्णक उनके नियति होने से पूर्व नियंत्रण के अधीन होंगे,

और यतः केन्द्रीय सरकार ने उक्त प्रयोग के लिए नीचे विनिर्दिष्ट प्रस्ताव बनाए हैं और उन्हें नियति (व्याविस्टी नियंत्रण और नियंत्रण) नियम, 1964 के नियम 2 के उपनियम (2) द्वारा यथापैक्षत नियति नियंत्रण परिषद को भेज दिया है,

अतः अब, उक्त उपनियम के अनुरागण में केन्द्रीय सरकार उक्त प्रस्तावों को उनसे संभाव्यतः प्रभावित होने वाली जनता की जानकारी के लिए प्रकाशित करती है।

2. यह सचिन दी जानी है कि यद्यपि कार्बोर व्यापकत उक्त प्रस्तावों के बारे में कार्बोर आकृष्ट या सुभाव भेजना चाहे तो वह उन्हें इस आदेश के राजपत्र में प्रकाशित की तरीका से तीस दिन के भीतर नियति नियंत्रण परिषद वर्ल्ड गेंडर, 14/1 बी, इंजर रोड (सासवां मीजल), कलकत्ता-1 को भेज राक ता है।

## प्रस्ताव

(1) यह अधिसूचित करना कि इससे उपायद्वय अनुसूची में विनिर्दिष्ट प्रकार के क्रम वर्णक नियति से पूर्व नियंत्रण के अधीन होंगे,

## ORDER

New Delhi, the 23rd June, 1973

S.O. 1770.—Whereas in exercise of the powers conferred by section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), the Central Government is of opinion that it is necessary and expedient so to do for the development of the export trade of India, that chrome pigments should be subject to inspection prior to their export;

And whereas the Central Government has formulated the proposals specified below for the said purpose and has forwarded the same to the Export Inspection Council, as required by sub-rule (2) of rule 11 of the Export (Quality Control and Inspection) Rules, 1964;

Now, therefore, in pursuance of the said sub-rule, the Central Government hereby publishes the said proposals for the information of the public likely to be affected thereby.

2. Notice is hereby given that any person desiring to forward any objections or suggestions with respect to the said proposals may forward the same within thirty days of the date of publication of this order in the Official Gazette to the Export Inspection Council, 'World Trade Centre', 14/1B, Ezra Street (7th floor), Calcutta-1.

## Proposals

(1) to notify that the chrome pigments of the types specified in the Schedule annexed hereto shall be subject to inspection prior to export;

(2) to recognise—

(a) the specifications for chrome pigments as set out in the Annexure I to this order as the standard specifications for chrome pigments; or

(b) the specifications for chrome pigments as may be stipulated by the buyer and the exporter in the export contract concerned, provided that such specifications do not fall below the specifications set out in the said Annexure I;

(3) to specify the type of inspection in accordance with the draft Export of Chrome Pigments (Inspection) Rules, 1973, as set out in Annexure II to this order as the type of inspection which shall be applied to such chrome pigments prior to their export;

(4) to prohibit the export in the course of international trade of any of the aforesaid chrome pigments, unless the same are accompanied by a certificate issued by an inspection agency recognised by the Central Government under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963) to the effect that the chrome pigments are export-worthy.

3. Nothing in this order shall apply to the export by land, sea or air or samples of chrome pigments not exceeding 500 gms. in weight to the prospective buyers.

4. In this order, "chrome pigments" shall mean the chrome pigments of any of the types specified in the Schedule annexed to this order.

**SCHEDULE**  
**Types of chrome pigments**

1. Zinc Chromes—

Type I—Basic Zinc Chromate with chromates of alkali metals.

Type II—Basic Potassium Zinc Chromate.

Type III—Basic Zinc Chromate free from alkali metals.

2. Lead and Scarlet Chromes.

3. Barium Chromate.

4. Barium Potassium Chromate.

5. Green Oxide of Chromium.

**ANNEXURE I**

**Specifications for Chrome Pigments**

1. The chrome pigments, specified in the Schedule, shall be in the form of dry powder or in such a condition that by crushing without grinding action under a palette knife, they are reducible to powder form.

2. The material shall be free from any visible impurities, organic dyestuffs or substrate of any kind.

3. The colour, staining power and the tone of the chrome pigments shall be as agreed to between the exporter and foreign buyer.

4. The material shall also comply with the requirements given in the Table below.

## ANNEXURE II

Draft rules proposed to be made under section 17 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963).

**1. Short titles and commencement.**—(i) These rules may be called the Export of Chrome Pigments (Inspection) Rules, 1973.

(ii) They shall come into force on the.....

**2. Definition.**—In these rules "chrome pigments" shall mean the chrome pigments of any of the types specified in the Schedule annexed to these rules.

**3. Basis of Inspection.**—Inspection of chrome pigments for export shall be carried out with a view to seeing that the same conforms to the specifications recognised by the Central Government under section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963).

**4. Procedure of Inspection.**—(1) An exporter intending to export chrome pigments shall give intimation in writing of his intention so to do and submit alongwith such intimation a declaration of the specifications, stipulated in the contract relating to such export, to any one of the inspection agencies (hereinafter referred to as the Agency) recognised under section 7 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963), to enable it to carry out the inspection in accordance with rule 3.

(2) Every intimation and declaration under sub-rule (1) shall be given not less than seven days before the expected date of shipment.

(3) On receipt of the intimation and declaration under sub-rule (2) the Agency shall inspect the consignment of chrome pigments with a view to seeing that the same conforms to the specifications recognised by the Central Government under section 6 of the Export (Quality Control and Inspection) Act, 1963 (22 of 1963).

(4) If after inspection, the Agency is satisfied that the consignment of chrome pigments to be exported complies with the requirements of rule 3, it shall, within seven days of the receipt of intimation and declaration under sub-rule (2), issue a certificate to the exporter declaring the consignment to be export-worthy;

Provided that where the Agency is not so satisfied, it shall within the said period of seven days refuse to issue such certificate and communicate such refusal to the exporter alongwith the reasons therefor.

**5. Place of Inspection.**—Every inspection under these rules shall be carried out either—

- (a) at the premises of the manufacturer of such chrome pigments; or
- (b) at the premises at which such chrome pigments are offered by the exporter, provided in the opinion of the Agency adequate facilities for the purpose of inspection exist therein.

**6. Inspection fee.**—Subject to a minimum of Rs. 50 for each consignment, a fee at the rate of forty paise for every one hundred rupees of the F.O.B. value for each such consignment shall be paid as inspection fee under these rules.

**7. Appeal.**—Any person aggrieved by the refusal of the inspection Agency to issue a certificate under sub-rule (4) of rule 4, may within ten days of the receipt of communication of such refusal, prefer an appeal to such panel of experts consisting of not less than three persons as may be constituted by the Central Government for the purpose.

(2) The decision of the said panel on such appeal shall be final.

2. The specific matters in the dispute submitted to my arbitration are as under:—

- (a) Whether the Charter of Demands dated the 1st January, 1972 served on the Launch Owners/ Launch Employers by the Goa Dock Labour Union, Vasco da Gama, in respect of the Launch crew are justified or not.
- (b) If so, what relief the workmen (Launch crew) are entitled to.

AWARD

3. By a Notice bearing No. M/A-L/1 dated 3-3-1973 despatched under registered A. D. both the employers and the employees were requested to send to me a brief self-contained statement of their case within 10 days of the receipt thereof, endorsing a copy of the statement simultaneously to the other parties. They were also requested to send their rejoinder, if any, to the statements of the opposite party within 10 days of their receipt endorsing a copy thereof simultaneously to the other party.

4. In all 16 statements filed in respect of 16 launches by their Owners and one statement filed by the Union or the employees have been received. While three of the Employers viz., Sarvashri D. S. Kamat, S. R. Navelkar and C.S. D'Souza have sent one joint rejoinder to the statement filed by the employees, the latter have sent one common rejoinder through the Union representing them.

5. In response to a Notice under No. M/A-L/2 of 8-3-1973, served under Registered A. D. a preliminary hearing was held on 20th March 1973, when Shri J. H. Thakkar (M/s. Hiralal & Co.), Shri C. D'Souza, Shri Madhav Rao Sawant, Shri Gabriel D'Souza, Shri Santan D'Souza, Shri Rajaram Kharapurkar and Shri D. B. Naik, as employers, and Shri Mohan Nair on behalf of the employees attended. This meeting was held with the view to exploring the possibility of arriving at a mutually agreed settlement.

6. The employers and employees present at this hearing, with the view to maintaining a cordial atmosphere, agreed the latter to furnish a proforma of the service particulars required by them and the former to return with the required data on or before 10th April, 1973 the proforma supplied by the employees. This was so agreed to enable a basis for discussion of the pay scales, etc. being worked out.

7. They further agreed that an Interim Relief of Rs. 100 per month to each Khalasi and Rs. 150 per month to each Tindel/Driver would be paid from the month of March 1973 salary (payable in April 1973) *vide* Annexure A.

8. This mutually agreed interim settlement was circulated to all the employers and the Union representing the employees under letter No. M-A-L/3 of 20-3-1973. On receipt of this letter, Sarvashri Rajaram Kharapurkar, Vasudev Karkar, Caetano Rodrigues, D. S. Kamat, Damodar Naik, Vasant R. Sakhalkar, Hari Krishna Naik, Raghuvir Fotto, Gaetaninho D'Souza, S. R. Navelkar, Madhav Rao Sawant, Gabriel D'Souza, Francis D'Souza & S. D'Souza, on behalf

of the Employers, submitted a representation dated 27-3-73 stating inter alia that "most of us could not appear before your goodness on 20th March 1973, nor could intimate our absence for the reasons beyond our control for which we express our deep regret" and that "we are given to understand from our colleagues that nobody agreed to pay an interim relief to the crew as indicated in the minutes nor their (there) was any willingness to come to a settlement and thus avoid the decision from the Arbitrator".

8. In view of the minutes of the interim mutual agreement of the 20th March 1973 signed by the seven gentlemen referred to in para (5) above on behalf of the Employers and by Mr. Mohan Nair on behalf of the employees, the outright denial by the employers, among whom some of the signatories to the said minutes, is not acceptable to me.

9. On the other hand, Shri Mohan Nair in a rejoinder dated 16-4-1973 has pointed out that the employers have neither paid the Interim Relief stipulated in the Interim agreement of the 20th March 1973 to the workmen concerned nor have they barring M/s. Hiralal & Co. furnished the service particulars called for, and as such the Employers have failed to honour their commitments which is a flagrant violation of the interim mutual agreement, vide Annexure B. I concur with this view.

10. Pursuant to the decision taken at the preliminary hearing of the 20th March, 1973, vide the minutes at Annexure A, another hearing was held on the 16th April, 1973 when the employers/their representatives referred to in the preamble and Shri Mohan Nair on behalf of the employees were present and participated in the discussion.

11. At this hearing, fresh efforts were made to iron out differences and bring the two parties in the dispute to a conciliatory and constructive approach. On the one hand the Employers' representatives were told that if they persisted their denial of the earlier interim agreement signed by them would be prejudicial to them, and on the other the employees were prevailed upon to give up their rigid stand with a view to arriving at an amicable workable arrangement.

12. As a result of these efforts, and after several consultations in private among themselves by either party separately, the employers and employees through their representatives present agreed that an amount of Rs. 100/- per Khalasi and Rs. 150/- per Tindel/per Driver, who may be in employment of the respective Employers as on 16-4-73 be paid on or before 21st April, 1973 and that this ad hoc amount be adjusted/recovered as the case may be in accordance with the Award to be finally given by me and that in case of recovery, these amounts be recovered in three installments. They further desired me to proceed with the arbitration.

13. The parties subsequently filed the said mutual settlement before me for passing it as an Interim Consent Award. This being fair and reasonable I have passed the same as Interim Consent Award pending my final award in the dispute, vide Annexure C.

14. Before proceeding with the examination of the 14-Point Charter of Demands of the Employees, vide Annexure D, I would first deal with certain preliminary objections raised by the Employers in their statements filed before me.

15. The statements filed by the Employers are stereotyped and in no way do they differ from each other except in the quantum of consolidated salary paid to their respective employees and in the names of the launches owned by them. In fact, the statements have been filed launch-wise and not employer-wise in an obvious attempt to deny to the launch plying trade at the Mormugao Harbour its industrial character.

16. The Employers contend that they employ about 3 to 4 workmen on each launch; that the business of plying a launch can be compared to running a taxi as the success of the business is dependent on the fare they may be able to pick up; that the launch crew cannot be compared with dock workers; that as they cater to the needs of the stevedores requiring to transport their labour and other staff between the shore and the vessels in stream, with the impending mechanisation of the Port even this casual business will be denied to

them; that there is neither continuity nor security in this business; that during the monsoon and for the purpose of repairs and survey the launches remain idle for about 5 to 6 months in a year; that for all these reasons and particularly because of the small number of workmen engaged in each launch, the business of plying such launches cannot be regarded as an industry for the purpose of attracting the provisions of the Industrial Disputes Act, 1947, and therefore as no industrial dispute can exist the demand of the employees under provisions of the Recommendations of the Central Wage Board for Port & Dock Workers at Major Ports, as accepted by the Government of India is liable to and should be rejected at the very outset.

17. The Employees on the other hand contend that the launch plying business is an industry employing about 150 workmen and as such they must be adequately protected both in regard to service and service benefits.

18. The Employers' contention that no industrial dispute exists because only 3 to 4 workmen are employed on each launch or because there is no regularity in the business is not tenable.

19. In this connection I would refer to the provisions of Industrial Disputes Act, 1947, particularly to Section 2(j) and Section 2(k). Section 2(j) which defines what an industry means, reads as under: "Industry means any business, trade, undertaking, manufacture or calling of employers and includes any calling, service, employment, handicraft or industrial occupation or avocation of workmen." Section 2(k) of the Industrial Disputes Act reads:

"Industrial Dispute means any dispute or difference between employers and employers, or between employers and workmen, or between workmen and workmen, which is connected with the employment or non-employment or the terms of employment or with the conditions of labour, of any person."

20. From the foregoing definitions it is clear that plying of a launch attracts the definition of Industry, more so as the Industrial Disputes Act has been made applicable to all parts of the country.

21. It is pertinent to note that for the purpose of operation of or attracting the definition of Industry under Section 2(f) of the Industrial Disputes Act, 1947 no qualification as to the number of employees has been made in the Act. It is therefore not necessary that there should be a certain minimum number of employees in an industry in order to attract the definition of Industry as spelt out in the Industrial Disputes Act 1947.

22. The definition of Industrial Dispute contemplates a dispute or difference between the employers on the one hand and the workmen on the other. This definition eliminates any possible doubt one may have over the issue, whether the launch plying activity in the Port of Mormugao is an industry or not. In the present reference, the dispute has been raised on behalf of about 150 workmen. Considering the definition cited above, I am firmly of the opinion that there is no substance in the employers' contention that the plying of launches at the Mormugao Harbour is not an industry and, therefore, no industrial dispute can exist. As a matter of fact because an industrial dispute exists, the employers themselves have agreed to refer the dispute to my arbitration under Section 10(A) of the Industrial Disputes Act, 1947, vide the Govt. of India Notification referred to in para (1) above.

23. The employers further contend that the launch crew cannot be compared with dock workers. In the course of hearing the employers have given an impression that what they mean by this is that the launch crew are not dock workers. To remove this erroneous impression, I must point out that the launch crew employed in the Port of Mormugao is a dock worker not merely because the Central Wage Board for Port & Dock Workers has thus decided unanimously, vide para 6.9(ix)e of their Report, but because of the definition of Dock Worker furnished in the Dock Workers (Regulation of Employment) Act, 1948.

24. It is true that the launch crew employed by the group of employers under this reference cannot be compared with the Port & Dock Workers in so far as the service conditions go, howsoever such a comparison may be desirable. Therefore, whilst attempting to remove the existing disparity in the conditions of service of the launch crew and that of the

other Port & Dock Workers, great care will have to be exercised in doing it. I shall deal with this aspect while considering the demands at a later stage.

25. Whilst dealing with the pay scale for the launch crew, the Wage Board Recommendations have been restricted to only two categories of workers of this class working at ports other than Mormugao Port, viz. Khalasi and Tindels vide para 7.2.108(7)(i), but the Wage Board has further recommended under para para (iii) that the pay scales of whichever categories that are not specifically mentioned in para (i) should be "the same as have been recommended by the Board for similar categories of employees of port authorities engaged on similar types of vessels."

26. The Central Wage Board for Port & Dock Workers was constituted by the Government of India by their Resolution/Notification No. WB-21(4)/64 dated 13-11-1964. The published in Gazette of India dated 28-11-64. The said Wage Board was called upon to evolve a wage structure based on the principles of fair wage and to rationalise the then existing scales of pay of port and dock workers belonging to the same category of workers in different major ports. But the Wage Board was unable to evolve a common pattern of pay scales for workers of similar categories working in all the major ports. This was obviously due to two factors, namely the pattern of working was different from port to port in spite of the fact that the workers belonged to the same category; and the then existing pay structure for the same categories differed from port to port.

27. In the circumstances, I consider it just and fair to take into account the existing pattern of working of the launches in the Port of Mormugao and the pay structure of this crew whilst carrying out revision in their wages and other conditions of service, but not without due regard to the framework of the said Wage Board's Recommendations, which are very much pertinent in the instant dispute. I will now discuss point by point each of the Demands of the employees.

28. **Demand No. 1:** The employees demand that letters of appointment indicating therein the date of joining service, the category, wages, allowances and other benefits including conditions of service should be issued to them. They also demand that all those who have completed 3 months' service should be made permanent.

29. The employers contend that for the reasons stated by them vide para (15) above, this demand cannot be conceded. In their rejoinder the Employees have stated that it is a constitutional right to demand security of service and permanency; that launch crew cannot be "just hired and fired according to the whims and fancies of the owners," and that there is sufficient protection afforded in law both to the employer and employee in the event of a lay-off or retrenchment.

30. The fact that the launch crew are paid wages even when the launches are idle as stated by the employers is tantamount to an admission on their part of the permanency of employment of the crew.

31. On the other hand the Employers have not contended that launch crew are regarded by them as "work-charged staff" or workers falling within the category dealt with in paras 8.36 to 8.40 of the Wage Board Report (for even were they to be so treated, they would be entitled to their conditions of service being the same as for the permanent staff).

32. In modification of their earlier stand, some of the employers in their rejoinder to the employees' statement have agreed to issue appointment letters and confirm the employees in service after 3 months' service as demanded by them. If some of the employers have seen light there is no reason why others should not follow suit in promotion of this social justice, namely security of service through permanency.

33. However, I consider that three months' probation is too short a period for an employer to judge the suitability of a person to do the job entrusted to him, which in the present case is of a technical nature. I am of the opinion therefore, that a probationary period of six months should be prescribed on appointment and upon satisfactory completion of the said probationary period, the employees should be confirmed in service and a letter issued to them showing their service particulars. I award accordingly.

34. **Demand No. 2:** The employees demand that the launch crew should be placed in pay scales to be framed according to the Wage Board Recommendations but having due regard to the pattern of working in the Port of Mormugao. They suggest specifically the following scales of pay for the different categories of launch crew:—

In-Charge of the launch	..	Rs. 250-9-315.
Tindel/Driver	..	Rs. 168-7-217-FB-11-305.
Deckhand	..	Rs. 110-6-152-FB-7-215.

35. The employers state that their launch crew are paid consolidated emoluments of the following order:—

Serang/Driver	..	Rs. 275/- to Rs. 325/-.
Khalasi	..	Rs. 125/- to Rs. 180/-.

and that this is much more than the emoluments recommended by the Wage Board to Khalasis and Tindels working in Bombay and Visakhapatnam, which are as under:—

Khalasis	..	Rs. 104-2-116-3-140.
Tindels	..	Rs. 115-3-136-4-160.

vide para 7.2.108(7)(i) of the Report.

36. What the employers have furnished are the consolidated emoluments at present paid and not the basic pay scale of each category of employees so that it is not possible to ascertain what element of basic wages figures in the consolidated emoluments paid to each of them. They have also not furnished the data called for by the employees. It is thus difficult to accept their claim that they are paying more than what has been recommended by the Wage Board.

37. In the course of hearing my attention has also been drawn to the scales of pay fixed under the conciliation settlements arrived at before the Assistant Labour Commissioner (C), Shri G. Punniakoty between certain launch owners and their workmen.

38. The parties have not submitted the pay structures of the launch crew of the employers concerned such as M/s Timblo Pvt. Ltd., M/s Agencia Commercial Maritima, and others, so as to find out what are the existing pay structures of the launch crew working with these firms. I have however collected certain information on my own.

39. The firms referred to above are not firms engaged exclusively in the business of plying launches. These are reputed and well established firms doing mainly the business of mining, barge-transporting, exporting, shipping and stevedoring. It is thus obvious that launch plying is only incidental to their main business and that in the totality of their business launch plying is negligible from the point of remunerative business. More appropriately, these firms operate launches primarily to fulfil their contractual commitments in export trade with efficiency or without setbacks. Their paying capacity on account of the volume of their total business and turnover is abundant. Therefore, the pattern of pay structure adopted by these firms for their launch crew cannot be made applicable to the launch crew covered under the present reference.

40. I have referred earlier to the peculiar pattern of working in existence in the Port of Mormugao. In the course of hearing it has been revealed that almost all the launch owners employ one set of crew for manning their launches. It has also been stated that traditionally the normal shift is from 0630 hours to 1700 hours and that if the launch crew is called upon to undertake trips between 1700 hrs and 0630 hrs the next morning, they are paid at a certain rate for every trip they make during this period. It is thus clear that the launch owners under reference do not employ more than one set of crew to ply their launches as and when required during the period of 24 hours. Such a practice cannot be broken or radically revised all of a sudden without upsetting the traffic in the Port. This might even be one of the reasons why the Central Wage Board for Port & Dock

Workers have not bracketed the launch crew of this port with the launch crew of other ports. Be that as it may, I am convinced that the launch crew working in this port with the employers covered under this reference do stand on a different footing and therefore their case must be decided on its own merits.

41. The employers contend that they are not in a position to bear any financial burden in addition to what they are at present paying under the existing pattern of wages. They have, however, failed to produce any evidence of their incapacity and as such I cannot take their statement at its face value. In the course of hearing I have observed that barring one or two launch owners no other employer is maintaining any accounts whatsoever. It might be due to this reason that the employers could not produce any evidence to substantiate their contention of financial incapacity to pay or to take additional burden. It may be wrong on my part to assume that these employers have abundant capacity to pay the additional burden; but it will not be wrong to hold that the employers can bear a reasonable burden to give their employees a reasonable benefit. In fact, I am of the opinion that the launch owners under the present reference will be able to bear even heavier burdens if they will only rationalise their mode of operations and improve efficiency in their operations.

42. In the light of these considerations and after very carefully weighing the relevant aspects of the issue of pay scales, I award the following pay scales for the launch crew under reference :—

(a) **Big launches with a carrying capacity of more than 45 passengers :**

Serang	}	Rs. 165-6-195-8-235-12-295.
Driver		
Captain		

(b) **Small launches with a carrying capacity of passengers not exceeding 45 :**

Serang	}	Rs. 150-5-175-8-215-10-265.
Captain		
Tindel		

Driver	}	Rs. 105-4-145-5-170. for both big and small launches.
Khalasi		
Sailor		

43. In the case of Drivers, Serangs, Captain, Tindel and Master who are in possession of Service Certificate or Competency Certificate equivalent to 3rd Class Inland Master and 2nd Class Inland Driver, the employers should pay such Serang, Captain, Tindel, Master and Driver a qualification allowance of Rs. 25/- per month w.e.f. 1-1-73.

44. On enquiries, I understand that there is no such a separate category as an "In-Charge of the Launch," and as such the demand of a separate pay scale for this category is rejected.

45. **Demand No. 3:** The employees demand dearness allowance and variable dearness allowance as prescribed by the Central Wage Board for Port & Dock Workers. So far as D.A. is concerned, I award that it should be paid on the scale of D.A. recommended by the Central Wage Board for Port & Dock Workers (vide para 7.3.23 of the Report).

46. In regard to the demand for payment of Variable D.A., although it is desirable to extend to them this benefit, I am unable to award it as it will throw an excessive burden on the launch owners, whose operations are on a small or limited scale.

47. But this does not mean that the launch crew should not get V.D.A. at any time. Considering all the aspects, I am of the opinion that the scales of wages and rate of D.A. awarded above should be considered fair at All-India Consumer Price Index Figure 240 (1949 equal to 100). It will also be just and fair to introduce the element of V.D.A. from 1-1-73.

48. For the purpose of payment of V.D.A. from January 1973, I award that the employers pay it at the rate of 80 paise per point rise per month over and above the All-India Consumer Price Index Figure 240. For the purpose of simplicity the average index figure for the months of April 1972 to Sept. 1972 should be taken as the basis for payment of the V.D.A. at the prescribed rate for the period

from January 1973 to the end of June 1973. Similarly, the average of the All-India Consumer Price Index Figure from October 1972 to March 1973 will be taken as the basis for the payment of V.D.A. at the prescribed rate for the period commencing from 1-7-73 to the end of December 1973. The revision in V.D.A. for payment of this allowance from January 1974 should thereafter be done on the same basis i.e. average index figure for April to September the previous year to be taken as the basis for payment of the V.D.A. from January to June of the following year and average index figure for October of the previous year to March of the following year to be taken as the basis for payment of V.D.A. for the period from July to December of the following year. I award accordingly.

49. **Demand No. 4:** The employees have demanded payment of City Compensatory Allowance in accordance with the recommendations of the Wage Board.

50. The City Compensatory Allowance is payable only in relation to cities so classified for the purpose, and Mormugao is not one such city to entitle the employees working in it to such an allowance. In fact no such allowance is paid to the employees of the local Govt. and other bodies.

51. In this connection, the opinion expressed by Shri D. N. Barua, I.A.S., the Hon'ble Arbitrator in the dispute between the Barge Owners and their workmen is recalled as it is quite to the point. He states : "I am not satisfied as to the necessity of City Compensatory Allowance to be included into the wage scale for the very first reason that Mormugao is not a city within the context and meaning of the term City and secondly the compensatory aspect relating to a city is non-existent. Not at least in evidence, in appeared." This demand is rejected.

52. **Demand No. 5 : House Rent Allowance** The employees have demanded house rent allowance in accordance with the Wage Board Recommendations. This is admissible and must be paid to all launch crew at the rates prescribed by the Wage Board, and I award accordingly.

53. **Demand No. 6 :** The employees have demanded reimbursement of children's education/tuition fees.

In this territory the education is free up to the VIII Std. and there is a move to further extend free education up to XI Std. The demand is therefore rejected.

54. **Demand No. 7 :** The employees demand that "every launch crew be medically treated for all ailments, sicknesses apart from injury on duty and such facilities be also extended to the families of the launch crew."

The employers contend that medical bills of the crew are paid by them and that the system is working quite satisfactorily. They are not prepared to extend this benefit to the family of the crew.

55. Considering the limited scope of the launch plying business of each launch owner and their limited earning capacity, I am of the opinion that no additional burden should be cast on them and as such I award that the existing practice which is adequate and satisfactory, should continue.

56. **Demand No. 8 : Working Hours**—The employees demand that they should be given 8 hours of work per day with two hours launch interval and any work done over and above 8 hours should be paid at double the wages rate as overtime. The employers contend that the present practice if disturbed will create untold difficulties not only to the employers but also to the employees. They further state that at present the launches are manned by one set of crew who work according to the exigencies of traffic. They further urge that launch plying being an intermittent traffic, it will be difficult to regulate the working hours in shifts of 8 hours. They state that the normal working hours are from 0630 hrs to 1700 hrs. The same crew is required to make additional trips if called upon to do so between 1700 hrs and 0630 hrs the next day. They also state that ordinarily the launches do not make any that during the monsoon period most of them do not get any fare after 1700 hrs due to the negligible number of steamers calling at the port. The employers further state that for any trip the crew make after 1700 hrs they pay the Serang and Driver at the rate of Rs. 6/- per trip and Khalasi at the rate of Rs. 3/- per trip. They therefore contend that the present pattern of payment for the work done after 1700 hrs till 0600 hrs the next day should continue without any change whatsoever.

57. In the course of hearing my attention has been drawn to the award given by Justice Salim M. Merchant, Bombay, in the dispute between the Bombay Port Launch Owners and their workmen. Under this award shifts of 12 hours each, of which 9 hours with 1 hour's recess are the normal working hours, have been prescribed for the launch crew working with the launch owners in Bombay Port.

58. I am not inclined to adopt this system of two shifts as in such an event the employers will have to engage two sets of crew as against the existing practice of one set of crew. This may also adversely affect the "take-home" earnings of each launch crew, who is being paid at the rates mentioned hereinabove for trips made beyond 1700 hrs till 0600 hrs the next day.

59. Considering this peculiar aspect of the Port of Mormugao so far as it relates to launch traffic, I am of the opinion that the normal shifts timings should be from 0630 hrs to 1700 hrs but since thereafter the same crew is required to remain on board the launch for the purpose of making additional trips as and when necessary, they should be paid waiting allowance at fixed rates as under :—

Khalasi	② 30 paise per hour for any period he stays on the launch as standby after 1730 hrs to 0630 hrs the next day.
Driver	② 45 paise per hour for any period he stays on the launch after 1730 hrs to 0630 hrs in the morning.
Master	
Captain	
Tindel	
Serang	

60. While awarding this benefit I am aware that quite often the crew is discharged between 1730 hrs and 0630 hrs of the next day, at any time during this period depending upon the circumstances obtaining. In such cases the crew will be entitled to the waiting allowance at the rate prescribed for the actual waiting period from 1730 hrs onwards and not for the full period of 13-1/2 hrs for which the waiting charge is prescribed under this award.

61. It should be noted by the employers that this waiting allowance is prescribed with a view to allowing the employee to earn some remuneration as a fallback remuneration for waiting beyond the stipulated shift timing irrespective of the fact whether the launch makes any additional trip or not. But if the launch makes an additional trip after 1730 hrs the crew will have to be compensated for with suitable remuneration in the form of incentive in addition to the waiting allowance prescribed under this award. I, therefore, direct that in addition to the waiting allowance the launch owners should pay the following trip incentives to their launch crew :—

Number of trips made between 1730 hrs and 0630 hrs the next day.	Rate at which trip incentive is to be paid to each category of crew member.		
	Captain	Driver	Khalasi
	Serang	Tindel	
one	Rs. 4.00	Rs. 4.00	Rs. 2.00
Two	Rs. 4.50	Rs. 4.50	Rs. 2.35
Three	Rs. 5.00	Rs. 5.00	Rs. 2.75
Four and above	Rs. 6.00	Rs. 6.00	Rs. 3.25

62. In view of my award in regard to waiting allowance and trip incentive I further award that the present pattern of working shall not be disturbed unless the employers desire to introduce two shift working.

63. Should the employers desire to introduce a two-shift system, the shifts shall be each of 10-1/2 hrs' duration for each set of crew, the first shift being from 6.30 A.M. to 5 P.M. and the second shift from 5 P.M. to 3.30 A.M. Since the crew is required to remain on board the launch throughout the shift, they shall be paid one hour's waiting allowance at the rate specified above in lieu of one hour's recess or meal time. For any trip made between 3.30 A.M. and 6.30 A.M., the crew shall be paid trip incentive at the above rates in addition to the waiting allowance for the actual period of waiting or stay. And in order to afford equal earning opportunities and equal service conditions the two sets of crew shall be posted for the two shifts in rotation. The two-shift system, if the employers desire to adopt it, shall come into force from 1st July 1973. I award accordingly.

64. **Demand No. 9:** The employees demand that they should be supplied yearly three pairs of uniforms free of cost plus Rs. 10/- per month as washing allowance.

65. The employers contend that the nature of work on board a passenger launch is such that the clothes of the crew do not normally get soiled and that the Union has not advanced any justification for supplying uniforms free of cost. There is a point in the argument advanced by the employers. The demand is rejected.

66. **Demand No. 10:** The employees demand that all the crew be supplied with a rain coat, gum boots and an umbrella every year.

67. The employers have stated that each Serang/Driver is supplied with an umbrella and each Khalasi a rain coat every year. I consider this quite adequate and I award accordingly. It will be risky for the crew to operate the launches with gum boots on.

68. **Demand Nos. 11 & 12:** The employees demand that Provident Fund Scheme/Salary Saving Scheme and Gratuity Scheme be extended to the launch crew.

69. The employers state that only 3 to 4 crew are employed on each launch. The employees have not disputed this nor have they produced any evidence of the strength of the employment in each establishment or concern so as to see if the provisions of the Payment of Provident Fund and Gratuity Acts are attracted in their case.

70. On the other hand it happens that the prospects of launch-pling industry at this port in the near future is bleak. With the impending mechanisation of this port, the launch plying industry is likely to be closed down except for some stray plying on behalf of the ship owners.

71. Further, if different financial capacities of the different concerns involved are considered it will be seen that they will not permit a uniform ruling being given in this regard.

72. I therefore award that only such employees as are qualified to the application of these Schemes being extended to them by virtue of their employment in particular concerns attracted by the two Acts should be forthwith admitted to them.

73. **Demand No. 13:** The employees demand payment of travelling allowance when required to travel more than 3 kms on duty.

This is a rather vague demand; on the other hand the employers state that whenever the crew are called upon to undertake journey at their (employers') instance they are paid the "usual taxi fare." The demand does not therefore survive for arbitration.

74. **Demand No. 14:** The employees demand that they should be paid an interim relief in terms of the Wage Board Recommendations.

In view of the interim consent award passed by me, as stated in paras (12) and (13) above allowing an ad hoc payment being made in lieu of interim relief, this demand does not subsist.

75. **Fitment Formula:** The scales of pay and dearness allowance as stated earlier shall come into force w.e.f. 1-1-72. It thus becomes necessary to fit the wages of the launch crew as on 31-12-71 in the new scale by adopting an appropriate fitment formula.

76. Neither the employees nor the employers have furnished the scales of pay in which the former are at present placed nor have they given any clue as to how the present wages should be fitted in the new scales. I have therefore, to rely entirely on my judgment. I am aware that the formula herein given by me is likely to create some difficulty in its implementation but all the same I am confident it will work to the satisfaction of both the employers and the employees.

77. The following fitment formula is to be adhered to for the purpose of fitment of salary of launch crew as on 31-12-71 in the new scale prescribed under this award as from 1-1-72 :—

(a) Take the existing consolidated wage as on 31-12-71.

- (b) Add Rs. 32 as fitment money in the case of Khalasi and Rs. 40 in the case of Captain/Serang/Tindel/Driver to the figure shown at (a).
- (c) Deduct from the total thus arrived at, a sum equivalent to 39 per cent of it i.e. (a plus b). The balance is called the new basic wage. If the new basic wage falls below the minimum of the prescribed scale bring it up to the minimum of the new scale.
- (d) If the new basic stage is above the minimum of the new scale but not at the appropriate incremental stage in the new scale, step up this new basic wage to the next higher stage, if necessary.
- (e) After fitting the basic wage in the new scales as given in (c) & (d), add one increment in the new scale for every five years of completed service, subject to the maximum of 2 increments in the new scale. To this basic pay add Dearness Allowance and House Rent at the rate of 8 per cent of the basic salary subject to the minimum of Rs. 10 as per the directions in this award.

78. The wages thus arrived at are the new wages of the launch crew with effect from 1-1-1972. They shall get their first annual increment in the new scale as on 1-1-1973 and thereafter their annual increment will be granted accordingly.

79. As no data regarding the wages paid to the launch crew as on 31-12-1971 have been furnished, I am unable to calculate the entire burden of amount of arrears by way of pay, D.A. & H.R.A. that are payable to the launch crew under this award and therefore, if by virtue of the new scales of pay, dearness and house rent allowances along with fitment amount of the formula prescribed under this award, the difference between the wages as drawn on 31-12-71 and the new wages as arrived at on 1-1-72 exceeds an amount of Rs. 45 per month in the case of Khalasis and Rs. 60 per month in the case of Master/Tindel/Serang/Driver, the arrears should be paid to the workers at the rate of Rs. 45 per month in the case of Khalasi and Rs. 60 per month in the case of other categories, notwithstanding the aforementioned directions.

80. It is to be noted in this regard that in such an event the employers will have to pay arrears for the period from January, 1973 on the actual basis i.e. at the figure arrived at as per the fitment formula plus one increment for 1973.

81. On the other hand, if under the fitment formula any worker gets less than the fitment money (i.e. Rs. 32) per month for Khalasi and Rs. 40 per month for Serang/Captain/Tindel and Driver his basic wages should be so adjusted that his revised wages as on 1-1-72 in the new scale plus D.A. plus H.R.A. will give him an immediate rise over 31-12-71 wages of Rs. 32 per month in the case of Khalasi and Rs. 40 per month in the case of Driver, Captain, Serang, Tindel.

82. Whilst calculating the arrears from 1-1-73 the employers are also directed to add the amount of V.D.A. as per the rate given in this award.

83. I would have appreciated if details of the salaries drawn as on 31-12-71 were furnished to me. The employers and employees have preferred not to submit this information to me for reasons best known to them. In the circumstances no better fitment formula could be devised.

84. The employees demand that the implementation of the pay scale, allowances and other benefits of the award should be made effective with retrospective date and that arrears should be paid to them on this account from 1-1-69 the date on which the Wage Board Recommendations were implemented.

85. In examining this demand, the most important factor that has been considered is the capacity of the industry concerned to meet this additional burden, as stated earlier.

86. While the employees have failed to marshal facts in support of the capacity claimed by them of the concerns involved to meet this additional burden, the employers have pointed out that their income is dependent on the seasonal fare they are able to pick up. Thus, they cannot go back to the "passenger" and appeal to them for additional payments nor have they the means of creating additional income, and what's more, launch plying is not a production industry

or a body competent to impose levies to meet the additional burden.

87. Moreover, It has already been pointed out that the launch plying traffic to and from the stream will come to an end as soon as the mechanisation of the port is completed.

88 Having regard to these considerations, I have awarded that the arrears of basic wages, D.A. & H.R.A. should be paid in the aforementioned manner from 1-1-72, the date of formulation of the demands by the employees and not from an earlier date.

89. No arrears are due in respect of medical facilities and overtime wages as the employees have not tendered any evidence of such arrears having become due or that such dues accrued but were not paid. Moreover, the overtime formula (Waiting allowance & trip incentive) given in this award is prospective and not retrospective.

90. The amount/amounts stipulated in the Interim Consent Award should be adjusted/recovered as agreed to by the parties.

Dictated by me this day the 25th May, 1973.  
Vasco-da-Gama, Goa.

President, Momugao Stevedores' Association.

#### ANNEXURE 'A'

#### MINUTES OF THE PRELIMINARY HEARINGS HELD BEFORE THE HON. ARBITRATOR ON 20TH MARCH, 1973.

With a view to bringing about a cordial atmosphere, it has been agreed that the Union representing the Launch Crew will submit by the 21st March, 1973, a proforma to Shri J. H. Thakkar to be filled in by the individual Launch Owners.

This proforma will contain the following data:—

1. Name of the employee.
2. Designation.
3. Date of joining.
4. Salary drawn during the month of February, 1973.
5. Mode of overtime payment and average monthly payment.

Shri J. H. Thakkar on behalf of the Launch Owners has undertaken to return the forms filled in on or before the 28th March, 1973 under intimation to the Arbitrator.

He will also inform the Arbitrator the names of those Employers who have filled in the forms and also the names of the Employers who have not. Of the latter category, he will furnish the names of those who were not in a position to fill in the forms and of those who have not filled in the form for not agreeing to do so.

It is agreed that an Interim Relief of Rs. 100 p.m. to each Khalasi and Rs. 150 p.m. to each Tindel/Driver will be paid from the month of March, 1973 salary payable in April, 1973.

It is agreed that the above amount will not be paid to the above employees if a settlement is arrived at prior to the disbursement of March, 1973 salary.

However, the above amount would be adjusted against the Award, in the event of failure of amicable negotiations and settlement.

The Union shall return to Mr. J. H. Thakkar the proforma duly filled with the proposed wage scale and other earnings on or before 10th April, 1973, whereafter the parties agree to meet on the 16th April, 1973 at 10-30 A.M. in the Office of the Mormugao Stevedores' Association, Neogl Mansion, Vasco da Gama.

## ANNEXURE 'B'

BEFORE THE HON'BLE ARBITRATOR,  
SHRI FROILANO C. R. MACHADO,  
PRESIDENT, MARMAGOA STEVEDORES'  
ASSOCIATION, VASCO-DA-GAMA.

Sub :—Industrial Dispute between Launch Owners at Marmagoa Harbour, Goa, and their Launch Crew represented by Goa Dock Labour Union (INTUC) regarding the Charter of Demands—Statement of claim for and on behalf of Launch Crew.

Ref :—Your letter No. M/A-L/3 dated 20th March, 1973.

May It Please The Hon'ble Arbitrator,

1. The Goa Dock Labour Union, hereinafter called the Union, takes this opportunity of bringing to the kind notice of the Hon'ble Arbitrator the following facts and prays for a suitable Award in the matter :—

2. At the preliminary hearings held before the Hon'ble Arbitrator, on 20th March, 1973, the Union as well as some of the Employers were present.

3. It was mutually agreed before the Hon'ble Arbitrator to examine the possibility of arriving at an amicable settlement in the manner stated in the minutes of the hearing which were forwarded by the Hon'ble Arbitrator along with the above referred letter dated 20th March, 1973.

4. The minutes, above referred to, inter alia provided for the payment of an interim relief of Rs. 100 per month to each Khalasi and Rs. 150 per month to each Tindel/Driver with effect from 1st March, 1973 and payable with the salary due in April, 1973. The Employers, as per the above referred minutes, were supposed to effect the payment of interim relief above mentioned as a Settlement on all or any of the issues was not arrived at prior to the disbursement of the wages of March, 1973.

5. The Union would like to bring to the kind notice of the Hon'ble Arbitrator that when the March, (1973) wages were paid on or before 10th April, 1973, neither the Khalasi nor the Tindel/Driver were paid the agreed interim relief amounts. Thus the agreement reached before the Hon'ble Arbitrator stands flagrantly violated by the Employers of the Launch Crew.

6. It was further agreed before the Hon'ble Arbitrator in the preliminary hearings held on 20th March, 1973, that the Union shall send to Mr. J. H. Thakker, a proforma to be filled in by individual Launch Owners. The copies of the proforma were sent to Mr. J. H. Thakker on 21st March, 1973. In that connection, the Union would like to inform the Hon'ble Arbitrator that except for Mr. J. H. Thakker, representing the Employer namely, M/s. Hirralal & Co., no other Employer of the Launch Crew has submitted the proforma duly filled giving the various information required to understand the problems of the Launch Crew and the industry. The Launch Owners were supposed to fill in the proforma and submit the same under intimation to the Hon'ble Arbitrator before 28th March, 1973. This part of the settlement also stands violated as no other Employer other than M/s. Hirralal & Co. complied with the same.

7. Under the circumstances, the Union has to regretfully state that the Employers of the Launch Crew did not honour their own commitments and, therefore, the Union has no other alternative but to pray for a suitable Award in light of the written statement filed by the Union on 19th March, 1973, before the Hon'ble Tribunal. However, the Union would submit that if the Hon'ble Arbitrator would take some time to give the final Award, then he may please pass an interim Award as submitted to by the Union in para 12 of the Written Statement of the Union dated 19th March, 1973.

For this act of kindness we shall ever pray.

MOHAN NAIR, General Secy.

16th April, 1973.

## VERIFICATION

I, Mohan Nair, General Secretary, Goa Dock Labour Union, do hereby solemnly declare that what is stated in the above paragraphs is true to my knowledge, belief and information. This verification is signed at Vasco-da-Gama, on 16th April, 1973.

12. M/s. Hirralal & Co., Launch Owners, Vasco-da-Gama.
13. Shri Madhav Rao Sawant, Launch Owner, Mormugao Harbour.

## 14. Shri Cabriel D'Souza, Launch Owner, Vasco-da-Gama.

The specific matters in the dispute referred to my arbitration are as under :—

1. Whether the Charter of Demands dated 1st January, 1972, served on the Launch Owners/Launch Employers by the Goa Dock Labour Union, Vasco-da-Gama, in respect of the Launch Crew are justified or not?

2. If so, what relief the workmen (Launch Crew) are entitled to?

The Central Government, *vide* Notification No. L-36011/6/72-P&D(I) dated 30th December, 1972, of the Ministry of Labour & Rehabilitation, (Dept. of Labour & Employment), New Delhi, published in Part II, Section 3, Sub-Section (ii) of the Gazette of India, issued a notification under Section 10A of the Industrial Disputes Act, 1947, referring the said dispute for my arbitration.

During the pendency of hearing in the above dispute, the Employers *viz.*

1. Shri S. R. Navelkar, Vasco-da-Gama.
2. Shri D. S. Kamat, Vasco-da-Gama.
3. Shri D. B. Naik, Vasco-da-Gama.
4. Shri Caetano Rodrigues, Vasco-da-Gama.
5. Shri R. Kharapurkar, Vasco-da-Gama.
6. Shri D. S. Naik, Vasco-da-Gama.
7. Shri C. S. D'Souza, Vasco-da-Gama.
8. Shri R. V. Phadte, Vasco-da-Gama.
9. Shri Damodar B. Naik, Vasco-da-Gama.
10. Shri Cabriel D'Souza, Vasco-da-Gama.

entered into a mutual Settlement with the Goa Dock Labour Union, representing the employees, under which it was agreed between the parties that an ad hoc amount of Rs. 100 per Khalasi and Rs. 150 per Tindel or per Driver (who are in the employment of the respective employers as on 16-4-73) will be paid on or before 21st April, 1973, and that such ad-hoc amount will be adjusted/recovered as the case may be in accordance with the Award to be given by me and that in case of recovery, the amount will be recovered in three instalments.

The parties have filed the said mutual settlement before me for passing the same as Interim Consent Award. After going through the said mutual settlement, I am satisfied that the same is fair and reasonable and accordingly I pass the same as Interim Award pending my Final Award in the above dispute.

F. C. R. MACHADO, Arbitrator  
President, Mormugao Stevedores' Association, Vasco-da-Gama.

Sub :—Charter of demands in respect of the launch crew employed by and under you and plying at Mormugao Port.

## 1. Appointment letters &amp; permanency :

We demand that appointment letters be issued to all the launch crew indicating therein the category, wages, allowances and other benefits including conditions of service. This appointment letter may be issued indicating therein the date of joining the service. We further demand that all those who have completed three months of service should be made permanent.

## 2. Wages and pay-scales :

We demand that the wages of all the categories of launch crew employed by and under you should be placed in accordance with the recommendations of the Central Wage Board for Port & Dock Workers and as accepted by the Government of India Resolution No. WB-21(7)/69 dated 28th March, 1970. The arrears arising out of the said implementation be paid to them with retrospective effect from 1-1-1969.

## 3. Dearness allowance &amp; Variable D.A. :

We demand that the launch crew should be paid dearness allowance and Variable dearness allowance in accordance with the recommendations of the Central Wage Board for Port & Dock Workers and as accepted by the Government of India Resolution No. WB-21(7)/69 dated 28th March, 1970, and the arrears arising out of the said implementation be paid to the workmen with retrospective effect from 1-1-1969.

## 4. City Compensatory Allowance :

We demand that the launch crew should be paid city compensatory allowance as per the recommendations of the Central Wage Board for Port & Dock Workers and as accepted by the Government of India Resolution No. WB-21(7)/69 dated 28th March, 1970, and the arrears arising out of the said implementation be paid to the workmen with retrospective effect from 1-1-1969.

## 5. House Rent Allowance :

We demand that house rent allowance be paid to the launch crew in accordance with the recommendations of the Central Wage Board for Port & Dock Workers and as accepted by the Government of India Resolution No. WB-21(7)/69 dated 28th March, 1970, and the arrears arising out of the said implementation be paid to the workmen with retrospective effect from 1-1-1969.

## 6. Childrens education/tuition fees :

We demand that the benefits arising out of the recommendations in respect of education facilities to the children of the launch crew be paid to the launch crew as per the recommendations of the Central Wage Board for Port & Dock Workers and as accepted by the Government of India Resolution No. WB-21(7)/69 dated 28th March, 1970 and the arrears arising out of the said implementation be paid to the workmen with retrospective effect from 1-1-1969.

## 7. Medical facilities :

We demand that every launch crew be medically treated for all ailments, sicknesses apart from injury on duty and such facilities be also extended to the families of the launch crew. For compensating the expenses the launch crew have incurred in the past, we demand Rs. 200 per year for the past years.

## 8. Working hours :

We demand that the launch crew should be given only 8 hours of work per day with two hours of lunch interval and any work done over and above 8 hours should be paid at the rate of double the wages as overtime but in any case no launch crew shall be asked or forced to work for more than one shift of 8 hours continuously. The present system of calling the launch crew for more than one shift should cease forthwith and for the loss of rest intervals the crew have suffered in the past, we demand per head a flat rate of Rs. 200 per year.

## 9. Uniforms and washing allowance :

We demand three pairs of uniforms be given to all the launch crew free of cost and Rs. 10 be given per month as washing allowance to them. We further demand that as uniforms were not supplied in the past, as a compensation for using their own clothes to perform their hazardous work, an amount of Rs. 75 per year be paid to the workmen.

## 10. Rain protection appliances :

We demand that all the launch crew be supplied with a rain coat, gum-boot and an umbrella, every year.

## 11. Provident Fund/Salary saving scheme :

We demand that all the launch crew who are entitled to be members of the Provident Fund Scheme, should be covered under the said scheme. Those who are not covered under the scheme, a suitable scheme of similar nature may be drawn whereby both the employer and employee jointly deposit a month's salary each for retirement benefits.

## 12. Gratuity :

We demand that gratuity scheme be introduced in respect of the launch crew on the following basis :

- (i) On the death of an employee while in the service of the launch owner or on his becoming physically or mentally incapable of further service—1/2 month's salary or wages for each year of continuous

service, to be paid to the disabled employee or, if he has died, to his heirs or legal representatives or assigns.

- (ii) On voluntary retirement or resignation of an employee after 10 years' continuous service 1/2 month's salary or wages for each year of continuous service.
- (iii) On termination of service by the company 1/2 month's salary or wages for each year of completed service.
- (iv) No dismissal for mis-conduct by the company 1/2 month's salary or wages for each year of completed service.

#### 13. Travelling allowance :

We demand that if the launch crew is made to travel more than 3 km for official duty, they should be paid their actual travelling allowance on presentation of the bill.

We reserve our right to add, amend or alter the above Charter of Demands as the case may be during the course of negotiations, discussions or settlement.

for Goa Dock Labour Union  
Sd/-  
(General Secretary)

P.S.

#### 14. Dearness allowance and Interim relief :

We demand that all the launch crew employed by and under you on board your launch should get the benefit of dearness allowance and interim relief recommended by the Wage Board and as accepted by the Government of India in resolution No. WB-21 (15)/65, dated 27th April, 1965 and No. WB-21 (14)/66, dated 19th October, 1966. The above demand for dearness allowance and interim relief is in respect of those who were in your service and are covered by the above mentioned recommendations and resolutions.

## AWARD

By Order No. L/19012/29/72-LR II, dated 16th May, 1972, the Government of India, Ministry of Labour and Rehabilitation, Department of Labour & Employment, referred the following dispute existing between the employers in relation to the management of Nag's Kajora Jambad Colliery and their workmen, to this Tribunal, for adjudication, namely :

"Whether the management of Nag's Kajora Jambad Colliery, Post Office Ukhru, District Burdwan, are justified in not giving category IV to Sarvashri Abdul Mia, Muni Lal Rajbhar and Chhato Rajbhar, Underground Pump Khalasis? If not, what relief are the workmen entitled to and from which date?"

In this reference a compromise petition appears to have been filed dated 20-4-73 signed for the employer by somebody under whose signature there is a rubber stamp impression "Personnel Officer" and for the workmen by Shri Sunil Mazumdar, Organising Secretary, Colliery Mazdoor Congress, Regd. No. 965 (Affiliated to Hind Mazdoor Panchayat) Gorai Mansion, G. T. Road, Asansol, Telephone-3560. The tribunal fixed 25-5-1973 for recording the compromise but neither party appeared on that date. So, I refuse to record the compromise. Moreover, the dispute referred to for adjudication is not an industrial dispute. The union that purported to raise the dispute on behalf of the workmen claimed to be a registered trade union, had never been a registered trade union and by claiming to be a registered trade union those constituting the executive of such union and those who claim to be members of such union committed a gigantic fraud on the statute as was held by this tribunal in Reference Case No. 93 of 1971 the award of which has been published in the Gazette of India, Part II-Sec. 3(ii), dated August 12, 1972, p. 3167. The Colliery Mazdoor Congress (HMP) that claimed to be a registered trade union of which the workmen involved in the reference are said to be the members of such union had never been a registered trade union under the Trade Union Act but those constituting the so called Executive body of such an unregistered trade union represented before the management while serving the charter of demand and before the Conciliation Officer as if the union was a registered union under the Trade Union Act and the workmen involved in the reference were members of such registered trade union. But, in fact as found in Reference No. 93 of 1971, the union had never been a registered trade union and the workmen involved in this reference could never be members of a registered trade union named Colliery Mazdoor Congress (HMP) which had never been a registered union as such. Therefore, the proceedings from the very start right upto this date is vitiated by fraud upon the statutes by the so called officials of the so called registered trade union. Fraud vitiates everything. Accordingly, the reference received by this tribunal from the Central Government that has been tainted with fraud does not involve a dispute which in law can be considered as an "industrial dispute."

In the result, the reference is rejected. This is my award.

## AWARD

By Order No. L/19012/65/72-LR II, dated 17th August, 1972, the Government of India, in the Ministry of Labour and Rehabilitation (Department of Labour and Employment), referred the following dispute existing between the employers in relation to the management of Kottadih Colliery of Messrs. Equitable Coal Company Limited and their workmen, to this Tribunal, for adjudication, namely :

"Whether the management of Kottadih Colliery of Messrs. Equitable Coal Company Limited, Post Office Kottadih, District Burdwan are justified in not placing Sarvashri Ramdhani Yadav and Gopal Tewari in Category-II of Coal Wage Board Recommendations as Pump Khalasis with effect from the 1st October, 1971? If not to what relief are the workmen entitled?"

2. Notice of the reference was sent to the General Secretary of Colliery Mazdoor Congress (HMP), Asansol, that had raised the dispute as would appear from the Annexure being the letter addressed by the Assistant Labour Commissioner, Central, Raniganj to the Secretary to the Government of India, Ministry of Labour, Employment & Rehabilitation, dated 20th June, 1972. The workmen on whose behalf the dispute was raised by the so called union did not appear through the union in response to the notice of the Reference. The management on receiving the notice of the reference appeared. The final date of hearing of the dispute was fixed on 28th May, 1973. In the meantime the management of the colliery vested in the Central Govt. administered by Statutory Custodian. The custodian appeared through its duly authorised representative on the date of hearing but the workmen did not.

3. In the circumstances I could have recorded a 'no dispute' award but my hands are fettered. The union, Colliery Mazdoor Congress (HMP), Asansol, as I have held in Reference No. 93 of 1971, is not a registered trade union under the Trade Union Act of 1926. The award in that reference was published in the Gazette of India, Part II—Sec. 3(ii) dated August 12, 1972, page 3167. In paragraph 7 of the said award it was found as follows :

"In the present case, we find the existence of apparently three trade unions bearing the same name and the same registration number situated within the juris-

dition of the Registrar of Trade Unions, West Bengal, irrespective of the question of affiliation of such trade unions to a particular Federation or Trade Union. In the circumstances, thus revealed in this proceeding, I cannot hold that trade union, bearing the name Colliery Mazdoor Congress, said to be affiliated to Hind Mazdoor Panchayat, bearing Registration No. 965 is a duly registered trade union having its corporate existence under Section 13 of the Trade Unions Act. Therefore, the Colliery Mazdoor Congress bearing the Registration No. 965 with the address Garai Mansion, G. T. Road, Asansol, Burdwan that purported to have had espoused the cause of the workmen and claims to represent the workmen in this proceeding is not a duly registered Trade Union and as such it cannot represent the workmen in this proceeding."

The Colliery Mazdoor Congress (HMP) thus by representing itself before the Conciliatory authority as well as before the management of the colliery concerned purporting to represent its member-workmen said to be members of a registered trade union duly registered under the Trade Unions Act of 1926 committed a gigantic fraud on Statutes, Trade Unions Act, 1926 and Section 36(1)(a) of the Industrial Disputes Act, 1947. These so called registered trade unions, purporting to have had been affiliated to three different Federations of Unions, bearing the same registration number, made each of such unions a non-registered trade union since there cannot be three registered trade unions within the jurisdiction of Registrar of Trade Unions, West Bengal, having the same registration number under the Trade Unions Act. Three trade unions having the same name Colliery Mazdoor Congress and same registration number, purported to have had been affiliated to three Federations of Unions, thus committed fraud upon the Statutes. Fraud vitiates everything. No court or a Tribunal shall accept any act before it that has been tainted by fraud from its inception. The Colliery Mazdoor Congress (HMP) that espoused the cause of the workmen concerned in this reference had never been a registered trade union under the Trade Unions Act although it represented itself to be a registered trade union and its member-workmen were, as if, members of the said registered trade union. This representation was made not only when the charter of demand was raised before the management but also before the conciliatory authority. Acting on such representation which was a fraudulent representation made by such a union i.e. Colliery Mazdoor Congress (HMP), the Conciliation Officer submitted its report to the Central Government that acted upon the said report to make this reference of the alleged dispute under Section 10(1)(d) of the Industrial Disputes Act, 1947. The entire proceedings from the filing of the charter of demand right upto the Government's reference of the dispute are, therefore, tainted with fraud upon Statutes, committed by those who claim to be office-bearers of a union by the name of Colliery Mazdoor Congress, affiliated to Hind Mazdoor Panchayat, although such union that purported to have claimed to be a registered trade union and the workmen involved in this case said to be members of such a registered trade union, had neither been a registered trade union nor the workmen involved in this case were members of such a registered trade union. Therefore, the very basis of the dispute referred to for adjudication by this tribunal having had been tainted with fraud from the time of service of charter of demand right upto the present time cannot, in law be considered to be an industrial dispute. Therefore, this tribunal has no jurisdiction to entertain and to adjudicate upon such a dispute.

The reference is, therefore, rejected. This is, my award.

AWARD

By Order No. L/19012/76/72-LR II, dated 22nd September, 1972, the Government of India, in the Ministry of Labour and Rehabilitation, Department of Labour and Employment, referred the following industrial dispute existing between the employers in relation to the management of Real Jambad Colliery (Oriental Coal Company Limited), and their workmen, to this Tribunal, for adjudication, namely :—

"Whether the management of Real Jambad Colliery (Oriental Coal Company Limited), Post Office Bahula, District Burdwan are justified in dismissing Shri Balbir Singh, Tractor Khalasi with effect from the 18th February, 1972? If not, to what relief is the workman entitled?"

2. Today is the date fixed for recording the compromise filed by the management and the workmen represented by duly appointed officer-bearer of a union which is a registered trade union of which the workmen involved in this case are presumably members. The colliery in the management has vested in Central Government for the purpose of management by Ordinance No. 1 of 1973 administered by the Custodian General and its subordinate Custodian, Kenda Group, Area IV. The Custodian has appeared in this proceeding on behalf of the Central Government now managing the colliery concerned. On this compromise the Union of India represented by the Secretary, Ministry of Steel and Mines be made a party in the proceeding along with the previous management.

3. The learned Advocate for the union and the Custodian's authorised Personal Officer are present. Heard them and persued the terms of the compromise petition which are fair, legal and are beneficial to the interest of both the parties. The parties have prayed that the compromise be recorded and an award be rendered in terms of the compromise petition which should be made a part of the award. So, I record the compromise and render an award in terms of the compromise petition which shall form part of this award.
